Compromise in Offing On Annexation Dispute

Inglewood Daily News 10-6-53

LA Will Give up Johnson Ranch for Century School

Solution to the double annexation of the Johnson Ranch territory appeared dimly on the horizon today.

It was learned that the Los Angeles City Council is anxious to reach a compromise with Inglewood over the disputed area, and might be willing to detach it from its own claims, provided Inglewood yields the Century Park School, whose possession whipped up the original fight.

Await Decision

However, definite action will probably await the decision of Superior Judge Frank G. Swain, before whom a property owners' suit regarding the annexation, was submitted today.

Councilman L. E. Timberlake, in whose Los Angeles district the area has been assigned, said while he heard "some rumors" about a settlement proposal, he had nothing definite to say.

Heard Nothing

Inglewood City Administrator F. Robert Coop said this morning that he also had not heard anything on the subject lately, but that he believes the Inglewood city fathers will be happy to agree to a compromise to avoid lengthy litigation.

Alan Campbell, deputy city attorney of Los Angeles, stated he had understood the Los Angeles councilmen were discussing a compromise under which Inglewood will retain the Johnson Ranch with the exception of the school site, while Los Angeles will keep the remainder.

In the meantime Judge Swain is expected to take the case of Hubbell vs. City of Los Angeles under submission for a few days before rendering a decision which might affect the outcome of the dispute.

Property Owner Suit

The suit had been brought by property owners who claimed the Sept. 8 annexation to Los Angeles was illegal since part of the involved territory was already part of Inglewood, and that there were sufficient protests by property owners to stop the vote.

While all the legal maneuvers are in progress Inglewood's building department is processing applications for permits for the development of the Inglewood Knolls tract on the Johnson Ranch.

Mr. Guy W. Dixon,
City Clerk,
City Hall,
Whittier, California

Subject: Uninhabited Territory
Annexations to the City
of Whittier.

Dear Sir:

According to documents received by the County Recorder and the Clerk of the Board of Supervisors, respectively, filings relative to Uninhabited Territory Annexation to the City of Whittier have been made in the following order:

1. Affidavit of completion (dated August 22, 1945),
filed with the County Recorder August 27, 1945.
2. Ordinance No. 907 (approving the annexation),
filed with the Secretary of State September 19, 1945,
per his certificate received by the Board of Supervisors.

In connection with previous annexations to other cities, where filings had been made in order similar to the above, our County Counsel advised that, to perfect the annexation proceedings, a new affidavit should be filed with the County Recorder pursuant to Act 5163, Deering's General Laws, subsequent to receipt of the Secretary of State's certificate.

The legislative intent of the above law was that such affidavit be made and filed after receipt of the Secretary of State's certificate, which is one of the requirements of the Uninhabited Territory Act of 1939 (Act 5162, Deering). In other words, Act 5162 (Chapt. 472, Stats. 1939) requires that the date of filing of the affidavit with the County Recorder be the final and effective date of annexation, in spite of provisions to the contrary in the earlier Act 5162 (Chapt. 297, Stats. 1939).

Relative to the other city annexations mentioned, new affidavits were filed when we directed attention to these

facts at the suggestion of the County Counsel.

So that we may have a record of the recognized effective date of this annexation, we call your attention to this matter, which you may want to discuss with your City Attorney, and we will appreciate a reply at your earliest convenience.
